

CATTLE CALL [LEAFLET]

The Haun family would like to produce a new leaflet in order to better advertise for their Fredonia sale barn. You work for KS Marketing, a Kansas-based multi-faceted advertising company, who was given this task.

In your **leaflet** you should:

- present the members of the Haun family
- enumerate how the community benefits from the barn
- praise the food and drinks you get there

Use **one picture** from the internet to make it look attractive. Write about **200 words**.
