

# MARKET READY [REPORT]

You are Maurice Bothwell, a field representative of the United States Department of Agriculture. You were sent to the Alabama Farmers Market in West Birmingham to write a report about it. This report will decide whether the USDA will continue or stop their financial support for this farmers market.

In this **report** you should:

- include information on the number of farmers, sales, etc.
- outline why this market is important for local growers and customers
- inform about the tradition and uniqueness of this particular market

Write about **200 words**.
