

TIMBER BUSINESS [BLOG ENTRY]

You are an online reporter of *modernagriculturist.com*, an American blog focusing on various aspects of agriculture and forestry. After having visited Baker Timber Products on their open house day you have decided to present this business to your readers.

In your **blog entry** you should:

- describe the business and its products
- explain in how far they help the forest to regenerate quickly
- recommend their open house day to your readers

Give your blog a **title**. Write about **250 words**.
